

Brea Glenbrook Homeowner's Association Architectural Change Approval Form

www.breaglenbrook.org

(714) 529-8002

Homeowner Name: _____

Address: _____

Phone: _____ Email: _____

Approval is requested for the following architectural change (brief description of requested change/project):

Estimated Start Date: _____ Estimated Completion Date: _____

Provide detailed description of work to be done. Include dimensions, colors and type/brand of material to be used. As attachments, provide photo(s) of manufactured material and a sketch of property layout indicating project changes/additions.

All architectural changes must comply with all applicable zone and code requirements, as well as the CC&Rs, By-laws, Rules & Regulations and all governing documents of the Association. Homeowner assumes the responsibility for any work that may adversely affect the common area and for all future maintenance of this change or addition. Some architectural changes may require adjacent homeowners input prior to start of work. I have read, understand and agree to follow the requirements for obtaining approval of the architectural changes as detailed above:
